

PL. ANTONIO  
BANDERAS SQUARE

## REMODELLING

Pl. Antonio Banderas square

client

**Marbella Council City**

built

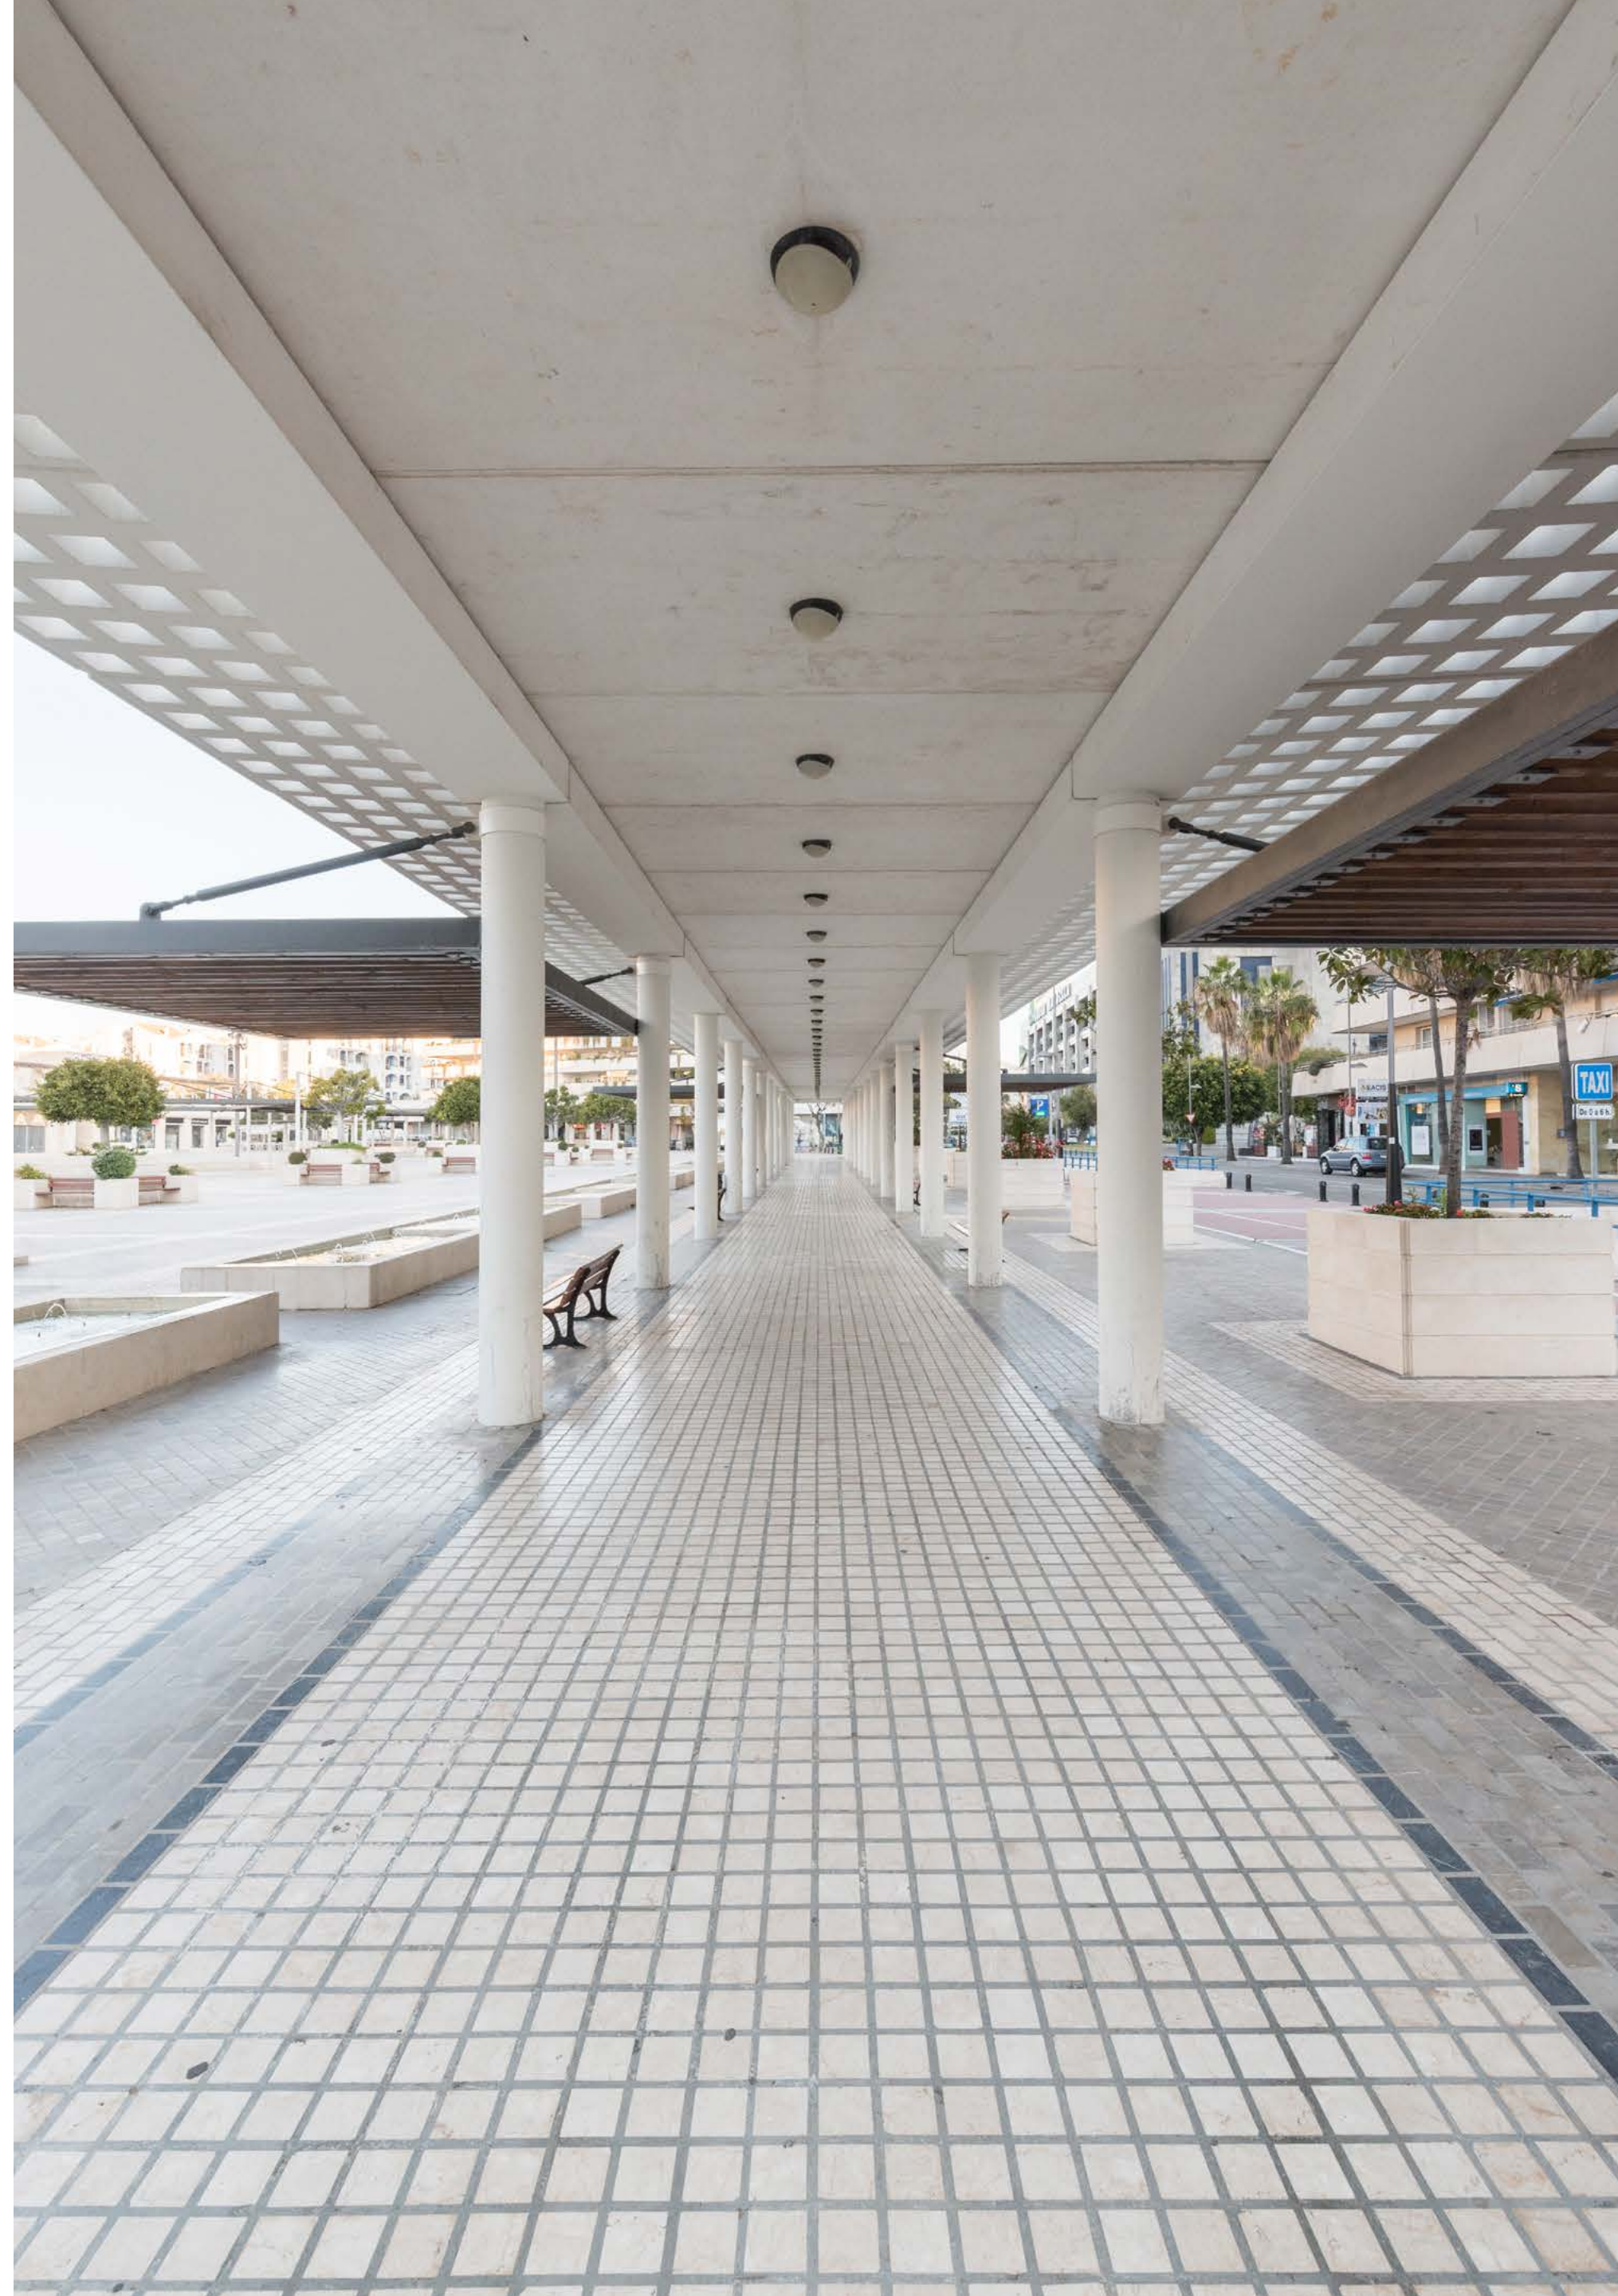

**22000**

work

**Restoration of main square in Puerto Banús. The work includes a shaded area (150 m) by installing a single pergola in solid Finnish pinewood and a hot-galvanized metal structure. The fountains, plants and paving have also been repaired. Finally, a brand-new multicolour LED system has been installed in the fountains.**
